

RE: ID C00359539, Reference: 30 Day Post-General Report, FEC letter dated February 9, 2007

Two checks issued in September totaling \$8,000.00 were voided in our FEC web base software (DDC) on October 30, 2006. Our software back dated the entry to mid-September changing our ending date for the October 20th filing and the beginning and ending date of our Pre Election Filing.

On October 30, 2006, the two checks were voided and recorded in our general ledger. The 30 Day Post-General Report is correct.

I will file an amendment to our October 20th FEC report and our 12-Day Pre Election report today.
