Re: Responses Complete to Date ~

Dear Ms. Parks:

Per our conversation on Monday, April 28th, the Sierra Club Political Committee has responded to all outstanding requests for additional information. As noted in previous correspondence we had difficulty in receiving your letters due to the recipient of the letter and the address being inconsistent. The letter was directed to Margaret Conway, National Political Director, with the address of our San Francisco headquarters. Margaret Conway works out of our Washington DC office and therefore did not receive the letters in a timely manner. We filed an updated statement of organization on 04/02/2003 which changed the address for the Political Committee to our Washington DC office. Margaret Conway will therefore receive any future letters directly. Thank you for your patience in this matter.

Margaret Conway
