We are in receipt of your request for additional information with a response due date of September 11, 2014. Per your letter we have addressed the following issues:

The apparent excessive contributions in question were incorrectly reported in the disclosure document. Accordingly, we have amended the report with the clarifying information. None of the contributions are excessive.

Communication has also been made with Ryan, Brennan & Donnelly to clarify the origin of their donation. Please note each member of the partnership is contributing 1/3 of the donation, individually, against their own respective contribution limits and the contribution is not from a prohibited entity. The correction is filed here to reflect such.

The election designation that previously read ? P2015? for Akam Chawdhry?s donation has been corrected to ?P2014?. Updated Employer/Occupation information for several contributors we have received information from since the last ?best efforts? were made. Best efforts letters have been sent to the remaining contributors requesting the employer/occupation information still needed; and, we have met all FEC best effort requirements as set forth in your RFAI.

Always, thank you for the opportunity to provide this additional information. If you have any questions or require additional information, please contact Vincent DeVito at (617) 757-6500
