1.

In response to your letter dated March 20, 2002 concerning in kind contributions made to Stephen Lynch for Congress Committee. This was for postage, letterhead, and lost time by the parent organization. This expense occurred on September 4, 2001 and was reimbursed by our Political Contributions Committee on the same day as expense occurred.

2.

The payroll deductions are a percentage of each paycheck for most of the individuals contributing. The paychecks vary in dollar amounts, therefore the deduction varies. Some of these deductions come from Local unions and I am not notified until the individual reaches the \$200 figure. I will try to estimate these in the future.
