

The 24 Hour notice filed on 10/27/08 disclosed two \$11,044.00 expenditures to Terris Barnes & Walters in support of Mark Udall (CO-Senate) for mailings and printed materials. One of the \$11,044.00 expenditures should have disclosed activity in support of Barack Obama (US-President). The 2008 Post General report will correctly reflect two independent expenditures to Terris Barnes & Walters for \$11,044.00, one in support of Barak Obama, one in support of Mark Udall.
