This memo is being issued in resposne to the RFAI sent concerning the Mid Year 2013 FEC report and amended report.

The reason, as I understand it, that the contributions are higher is because the committee did not contact a vendor it no longer used and missed adding the contributions they had collected. Upon reconciling the bank accounts and the report, it was discovered that the report was wrong and an amended report was filed.

Please do not hesitate to contact me if you have any questions or cocnerns.
