Dear Ms. Stilla:

This letter is in response to your request for additional information dated May 31, 2023. Your letter requests additional information related to the fraudulent bank debits disclosed on the above referenced report.

There is no additional information to provide at this time. The Committee was the victim of fraud committed by an outside party, not by campaign staff. Checks that were not issued by the Committee were presented as drawn on the Committee bank account and cleared the account. The Committee has attempted to collect reimbursement from the bank, but funds have not yet been returned. The Committee immediately closed the compromised bank account to prevent any further unauthorized transactions.

The Committee will disclose any future transactions related to these disclosures when they occur.

Sincerely,

Lisa Lisker
Treasurer
