Dear Ms. Needles:

Thank you very much for speaking with me on August 19 regarding the report referenced above and the Amendment to that report filed electronically , August 18. When I spoke with you, you were not able to access the Amendment and you asked me to call you in a few days. I tried calling you on August 26. However, you were out of the office and I was connected to another analyst who informed me that my memo should have been electronically filed, not sent FEDX. The following will highlight the actions I took.

1. Schedule H-1 was added.
2. An overpayment for the Non-Federal allocation for the generic voter drive of \$780.00 was made and reported in error. The amount is being immediately returned to the State account.
3. Schedule H-3: \$2,705.00 was reduced to the correct \$1,925-a reporting error only.
4. Schedule H-4: Added a 3/3/03 disbursement to the Republican Central Committee of L. A. County of \$5,000 of which \$4,375. is the non-Federal allocation. We had been instructed that the payment could not be reported as voter registration drive expense, which was the intent of the disbursement, but had to be shown as a contribution. The initial entry amount had been left off of H-4.
5. All entries related to voter registration drive expenses have been re-designated from "Administrative" to the correct "Generic Voter Drive."
6. One additional overpayment of \$544.80-which actually had been corrected and returned during the period of the report-was not reported correctly and has now been corrected. See Schedule B, Line 28.

Thank you again.
