Pursuant to the FEC's holdings in Advisory Opinions 2004-42 and 2009-14, Wexler & Walker PAC (a unit of Hill & Knowlton Strategies LLC) has listed Public Strategies, Incorporated as the connected organization because this entity is the sole corporate member of Hill & Knowlton Strategies LLC, and Hill & Knowlton Strategies LLC pays the administrative expenses of the SSF. In particular, the FEC has permitted a wholly-owned LLC to pay for the administrative expenses of a SSF connected to its sole corporate member. The FEC has also permitted a SSF to be named after a LLC that was wholly-owned by the corporate entity serving as the SSF's connected organization where naming the SSF after the LLC would provide the public with a more accurate understating of the PAC's funding and purpose, as is the case here. Since Hill & Knowlton Strategies LLC is not treated as a corporation for tax purposes, it may not be listed as the connected organization.
