Recently, we received our PAC records and discovered the PAC's bank account balance was greater than the PAC's reported Cash on Hand. We determined that discrepancy was largely due to reconciliation issues that took place prior to 1997 and with records available, we are able to reconcile the Cash on Hand to the bank account down to \$4,531.73. We created a one-time adjustment entry on 6/30/2016 to reflect the reconciled bank balance.
