Re: HillPAC, FEC Id. No.C00363994, 30 Day Post General Report (10/19/06 - 11/27/06)

Dear Ms. Lewis:

This letter is in response to your request for additional information concerning HillPAC's (the "Committee's") 30 Day Post General Report of receipts and disbursements, covering 10/19/06 - 11/27/06.

With respect to the expenditures for "Consulting/Fundraising" noted by you, these expenditures were all for generic fundraising on behalf of the Committee's own activities. None of the expenditures (nor any portion thereof) were related to or made on behalf of specific federal candidates.

With respect to the expenditures for "Consulting/Communications" noted by you, these expenditures were exclusively to assist the Committee with its own communications projects and activities. These expenditures contained no express advocacy, but, instead, were for the purpose of assisting the Committee in the preparation of generic written material, including generic web postings, without any express advocacy. None of the expenditures (nor any portion thereof) were made on behalf of specific federal candidates or constituted in-kind contributions or independent expenditures.

With respect to the expenditures for "Direct Mail" noted by you, these expenditures were exclusively to assist the Committee with its own generic fundraising and were for the purpose of cashiering the receipt of direct mail contributions. These expenditures contained no express advocacy. None of the expenditures (nor any portion thereof) were made on behalf of specific federal candidates or constituted either in-kind contributions or independent expenditures.

Accordingly, all of these expenditures were correctly reported. If the Committee makes any expenditures on behalf of specific federal candidates, it reports them as such on the appropriate line of its FEC reports.

If you have any additional questions regarding this response, please contact us at your convenience.

Sincerely,

Janice Enright
Treasurer
