Alexandra Broomhead
Reports Analysis Division
Federal Election Commission
Washington, DC 20463

Dear Ms. Broomhead:

We have amended the 2011 October Quarterly report. An incorrect figure was mistakenly entered as the beginning cash on hand for the reporting period, causing the discrepancy in Line 8. We have amended our report to reflect the correct amounts.

We also have confirmed that the contribution received from the American Optometric Association PAC was made from their federal account. An amendment is not necessary.

Thank you,

Paul Landow
