Ms. Miller,

Per our phone conversation of today, I am submitting the following explanation for your RFAI letter dated February 28, 2014.

- Schedule B, \$2,866.83 MEMO entries:

This total is for three separate in-kind memos on our year end report (\$1,044.23; \$851.50; \$971.10). The three MEMO ITEMS listed on our year end report do not correspond with any disbursements on that report because the disbursement to pay for each of these in-kind memos was disbursed in 2014. Our AMENDED February Monthly report shows disbursements for each in-kind memo item dated January 2, 2014.
