Response Due Date

08/22/2012

IDENTIFICATION NUMBER: C00519231

REFERENCE: 12 DAY PRE-PRIMARY REPORT (04/01/2012 - 05/23/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (initials for first or last name are not acceptable), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

The following employer and occupation entries appear on your report and are not considered acceptable: "EMMC/Information Requested," "Information Requested/Information Requested," "Self/Business Owner," and "Self/Information Requested."

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(B) for examples of acceptable

statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

2. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description(s): "Consulting," "Consulting/Office," "Convention Expenses," "Convention materials," "GOP Convention Expense," "Printed Campaign Materials," "Print Materials," and "Production Costs." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register is available on the FEC website at www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf. A non-exhaustive list of acceptable purposes is also available on the FEC website at <http://www.fec.gov/rad/pacs/documents/ExamplesofAdequatePurposes.pdf>.

3. Schedule B of your report discloses reimbursements to staff for apparent

travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount, and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1173.
