Attention Ryan Lanz, Campaign Finance Analyst:

This is in response to your recent phone call on 5/6/05 in regards to your original letter dated March 30, 2005 for the October Quarterly Report (7/1/04-9/30/04). Per your request, the committee is providing the following explanation to further clarify how the administrative functions of the committee are handled.

The committee has no full-time employees that work directly for our PAC. Instead the committee pays various consultants that assist in handling the administrative duties (Renee Kizziar) and FEC reporting duties (Lockart, Atchley & Associates). When the committee conducts its fundraising activities, the committee pays a fundraising consultant (Mairianne Sahl).
