RE: 12-Day Pre-Primary Report (07/01/2016 - 08/10/2016)

Ms. Kelly,

The Committee attempted to file the 12-Day Pre Primary Report due 8/18/2016 timely; however, there appears to have been a technical glitch of some sort that prevented it from filing by the deadline. The FEC was notified and is investigating possible causes on their end due to server traffic or software issues as is the Committee to determine if it was software or internet accessibility issues on the Committee's end.

In the future the Committee will make every attempt at filing earlier to help prevent this from happening again. The Committee takes a very strong position regarding transparency and makes every attempt to be in full compliance with the law and apologizes if this delay in filing adversely affected the public in any way.

Sincerely,

DJ Quinlan
Treasurer
