Attention: Jessica Grainger

We are in receipt of several notices indicating the reports that we filed electronically need to be amended. I attempted to amend and refile online, but the system would not allow me to do so. We are a non-committee and the first time we have ever needed to file was for the recent General Election. We did not receive a password, but I have submitted a request for one this morning.

I am enclosing copies of the notices with amended reports. Due to the deadline and the inability to file online, I wanted to get these to you today. I understand that I may need to resubmit electronically once we receive a password.

I do apologize if this creates additional work for you.

Sincerely,

Kelley Green
