Dear Ms. Senger:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding Schedule A supporting Line 15, we have amended the report to more clearly identify the original disbursements to which the specified refunds apply. We have indicated in the memo field, the report that the disbursement was in and the vendor to whom it was paid in the case of a vendor with a different name.

With regard to the usual and normal charge for fees received on Schedule A supporting Line 15, the RNC charges fair market value for services it provides. Prices are intended to recover the cost for providing the service. Services which we typically provide include but are not limited to 'Studio Time', 'Video Services', etc. The services reported on this schedule for which the RNC received payment were not services of a nature which is unique to the RNC. Services of this type are common in the business community and as such, the RNC compares and sets the price charged to prices available from other commercial sources.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck  
Director of Accounting
