Response Due Date

08/22/2011

IDENTIFICATION NUMBER: C00473827

REFERENCE: 30 DAY POST-GENERAL REPORT (10/14/2010 - 11/22/2010)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 8 item(s):

1. Column B figures for the Summary and Detailed Summary Page information should equal the sum of the Column B figures on your previous report and the Column A figures on this report minus the Column C figures. Please file an amendment to your report to correct the Column B discrepancies for Line(s) 6(a), 6(c), 7(a), 7(c), 11(a)(iii), 11(e), 16, 17 and 22 and all subsequent report(s) that may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals. (2 U.S.C. § 434(b))
2. The beginning cash balance of this report does not equal the ending balance of your 12-Day Pre-General Report. Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434)(b)(7))
3. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 12-Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended

that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. (11 CFR § 104.5(f))

4. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (initials are not acceptable), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

The following employer and occupation entries appear on your report and are not considered acceptable: "missing/missing", "self-employed/self-employed", "self-employed/owner", "n/a / Investor", "missing/private investigator".

You must provide the missing information or clarify the information provided. If you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a request via mail, e-mail or telephone documented in writing. (11 CFR § 104.7(b)(2)) Follow-up requests should be done, if necessary. The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been

reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information and a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide for Congressional Committees and Candidates.

5. On Schedule B of your report, you have itemized disbursements for which you have failed to include the address. Please amend your report to include the missing information. (11 CFR § 104.3(b)(4))

6. Schedule B of your report discloses reimbursements to individuals for expenses other than travel and subsistence. Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. If itemization is not necessary, you must indicate so in an amendment to this report. Please correct your report to include the missing information. (11 CFR §§ 104.3(b)(4)(i) and 104.9, and Advisory Opinions 1992-1 and 1996-20)

7. Schedule B of your report discloses disbursements to Gilbert Enterprises for "Salary". Please be advised that when itemizing disbursements to companies for payroll services, if the payment to the salary recipient aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the individual receiving the salary, as well as the date, amount, and purpose of the original disbursement must be provided. If itemization is not necessary, you must indicate so in an amendment to this report. Please correct your report to include the missing information. (11 CFR § 104.9)

8. Schedule B of your report discloses reimbursements to staff for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry

must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1161.

Sincerely,
