In reference to the Commission's letter dated December 4, 2012 concerning the October Quarterly Report (7/1/2012-9/30/2012)

In reference to the "Best Efforts" question, our efforts to obtain identification of all individuals are as follows: the original solicitation includes a request for the contributor's information informing them of the law to report the information. Second, if the information is not obtained a letter is sent within 30 days to request the missing information, once again noting the law to report the information. A pre-addressed envelope is included with this request and no solicitation is made. If the information is received the report is amended.

Thank you,
Corie Chan
