This filing is in response to RFAI letter dated March 20, 2016. After review, it was determined that the discrepancy noted in the RFAI was not in the 2015 AMENDED YEAR-END Report (07/01/2015 - 12/31/2015), but the 2015 AMENDED MID-YEAR Report (01/01/2015 - 06/30/2015). Some of the memo transactions for the Scalise Leadership Fund transfers that were originally reported on the MID-YEAR Report filed 7/31/2015 were omitted on the AMENDED MID-YEAR Report filed on 8/24/2015. This omission was caused by a software upgrade which took place after the original MID-YEAR Report was filed and prior to the filing the Amended MID-YEAR Report. An amendment of the 2015 MID-YEAR Report is being filed to correct this omission. All calculations reported in this amendment are unchanged from previous amendment and all memo transactions for the Scalise Leadership Fund have been added to the transfer section of amended report.
