Re.: Your letter 2/18/05; Amended February Monthly Report (1/1/04-1/31/04), received 6/23/04

Dear Mrs. Thangavelu

1. The SCGOP is using the following best effort to obtain identification of all individuals who contribute in excess of \$200. Our original solicitation includes a clear and conspicuous request for this information which includes the requirements of the federal law to provide such information. If the information is not provided, we make a follow up effort per phone. If the needed information is still not provided, we search the internet to obtain the information.
2. The disbursements on Schedule B for \$17054.56 was a refund from our federal account to our nonfederal account which occurred because we used the wrong percentage rate in allocation nonfederal funds for joint activities; the payee should have been our SCGOP Nonfederal Account.
