Reference: Amended Year-end Report (11/24/20 - 12/31/20)

Dear Ms. Ray:

This submission is in response to the Commission's review of the above referenced report.

In 2020 the Committee solicited a contribution from The Coca-Cola Company Nonpartisan Committee for Good Government, the federal political committee of The Coca-Cola Company. A contribution for \$ 5,000 was received via wire transfer on 11/25/20. The identification of the wire's originator on the Committee's bank statement was abbreviated 'THE COCA-COLA CO EDIPYMNT2 112520 LATINO VICTORY FUND.' There was no indication that the contribution was not from Coca-Cola's federal PAC.

Upon receiving notice from the Federal Election Commission that Coca-Cola Co's federal PAC had not disclosed the contribution the Committee contacted Coca-Cola Co. The individual executive who had initiated the contribution had since left the company. After the successor executive was identified the company had to research the matter. The Committee was informed that there had been a reorganization and the contribution had, in fact, come from the company and not their federal PAC.

Coca-Cola Co. was unable to accept a wire so a check for \$ 5,000 to refund the contribution was issued on 04/05/21 and sent by overnight mail. The Committee received verbal confirmation that Coca-Cola Co. had received the contribution refund check on 04/06/21.
