

FEC FORM 99

Minnesota Democratic Farmer Labor Party

Identification Number: C00025254

Amended Year End 2008

Memo Entries have been attached to the joint fundraising items.

The total amount from Franken Recount has been corrected. \$178979.19 of the \$787,829.19 was from the Franken (AI) for Senate Committee. It appears on the Post General 2008 report.

There are also changes in the allocated dollars on the H4 schedule. The amounts were to have been allocated at a 36/64 ratio. However, some were not calculated correctly because they were done by hand. Or the ratio was switched reflecting 64/36 not 36/64.

Expenditures requiring more explanation have now been updated and clarification has been given to descriptions.
