The Federal Election Commission  
Washington, DC 20463  
Attn: William S. Wiquist

Reference: Your letter RQ-5 dated February 4, 2005  
Identification Number: C00280321

Dear Mr. Wiquist:

The PMA Group PAC is in receipt of your letter referenced above and understands the Commission's concern that PMA Group PAC may have satisfied the criteria for becoming a multicandidate committee.

On February 7, 2005 the PMA Group PAC deposited a contribution from the 51st contributor, satisfying the sole remaining criteria for multicandidate committee qualification. Form 1M was electronically filed with the FEC on February 9, 2005 and should be available for your review.

Thank you for your consideration. If you have any questions, I can be reached at (703) 415-0344.

Sincerely,

Joseph S. Littleton, III  
Treasurer, PMA Group PAC
