Dear Commission:

As discussed in teleconversation this date, the undersigned has ascertained the following prior to and since the reference report:

a. The Braddock, Lee and Mt Vernon committees are subordinate (Magisterial) bodies of the Fairfax County Democratic Committee and are administrative in nature.

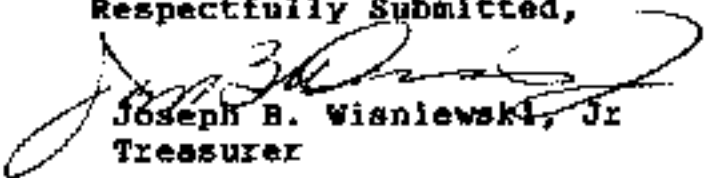

b. The Falls Church City is a separate Committee under the charter of the Democratic Party of Virginia.

c. As regards the fund raiser identified in the reference, the above committees acted as coordinating units to pass on the individual/personal purchase of Dinner ticket seats at our annual Kennedy-King Dinner.

d. There were no impermissible (Union, Corporate or above limit) funds accepted to pay for seat(s) at the Dinner table(s).

The undersigned will, in the future, have individual payments received by the fund raising committee utilizing the individual committees to gather and deliver receipts in an administrative capacity.

Respectfully Submitted,

Joseph B. Wisniewski, Jr.
