Miscellaneous Report

The Get out the Vote (GOTV) funds were used in the Special Primary Election and the Special General Election for US Senate Doug Jones for printing sample ballots, copying voter education materials, distributing campaign materials, signs, postage and shipping materials, canvassing, polling, door to door, radio/newspaper advertising and making phone calls reminding people to get out and vote.

As of August 6, 2018, we are using the remaining funds \$27,949.42 in full to conduct a massive voter registration and education campaign to register, organize and educate voters in Alabama in the 90 days that remain before the November 6, 2018 General Election to get out and vote. We plan to have many meetings and activities over the next ninety days concerning our efforts to mobilize voters in the state of Alabama.
