Dear Mr. Peterson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The Summary Page (page 1) of your report(s) includes a font or type size that is too small and difficult to read when microfilmed and placed on the public record. All reports filed with the Commission must be legible, including computer generated reports, in order to be microfilmed and placed on the public record. For future filings, please enlarge the font or type size on the Summary Page to ensure clear reproduction onto microfilm.

-Line 23 of the Detailed Summary Page of your report discloses a total of \$9,000 in contributions to federal candidates/committees and other political committees. The sum of the entries itemized on Schedule B, however, indicates the total to be \$9,500. Please amend your report to clarify the discrepancy.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Edward D. Ryan
