Re:July Monthly Report (06/01/12-06/30/12)

Dear Mr. Norfleet:

In response to your letter dated October 18, 2012 requesting additional information:

1.During the month of June, transfers were made for vendor bills anticipated to be received within a few days. However, the bills were received later than expected and outside the 70-day window. Instead of a separate transaction, the committee lowered transfer amounts in the immediate subsequent month, affecting the same financial result. The net effect of this can be seen on Lines 18(a) and 21(a)(ii) in next month and all later reports.

Sincerely,

Nancy H. Watkins, C.P.A.
