This responds to your request for additional information regarding the Committee's June Monthly Report (05/01/2014 ? 05/31/2014).

Line 17 of Schedule A discloses the transfers for salary reimbursements from the Committee's non-federal account for an employee that did not spend any time on activities in connection with a federal election or Federal Election Activity. Expenditures disclosed on line 17 are separate from the transfers disclosed on line 18(a), which include salary reimbursements for employees who spent 25% or less of their time during the period on Federal Election Activity or activities in connection with a federal election.

The payment for "'Fair Booth Rental"' was an administrative cost allocated between the Committee's federal and non-federal accounts. The Committee did not pay any individuals to conduct voter registration activity in connection with this payment. To the extent that there was any registration activity, it was brief and incidental and conducted by volunteers only, and thus not Federal Election Activity. (See 11 CFR 100.24(a)(2)(ii), 11 CFR 100.24(c)(7).)
