Amended April Quarterly Report (01/01/18-03/31/18)

When the committee was preparing the July quarterly report, we noticed the beginning cash was not correct. After investigating the reason why, we notice that the wrong backup file was uploaded with the April Quarterly information, which excluded some information. We immediately amended the return to include the missing data.

If you have any other questions, please do not hesitate to contact the committee.

Sincerely yours,

Jim Broking
