

On January 29, 2010, a Form 99 was filed that identified two employees of UnitedHealth Group, Andrew Slavitt and Kara Rios, as having exceeded their annual contribution limit to the UnitedHealth Group Incorporated PAC for 2009. After further review, it was determined that the January 29 submission was incorrect. Each employee contributed \$4,986 during calendar year 2009, as reflected in the PAC reports filed for that year, and therefore did not exceed the annual limit. As a result, no refund is necessary, the 2009 year-end report accurately reflects Mr. Slavitt s and Ms. Rios s contributions and no correction to the PAC s records will be reflected in the April Quarterly Report.
