Dear Ms. Sugarman:

This is in response to your letter of December 1, 2011 regarding 48 Hour Reports.

The \$5000 contribution from the Machnists Non-Partisan Political League received on 9/1/11 was reported in the 48 Hour Report electronically filed on 9/2/11 (FEC-743847).

The in-kind contribution of \$2,550.91 from the Planned Parenthood Action Fund Inc. PAC was not reported under the 48-Hour Rule because we were not notified of this in-kind contribution until we received a letter dated 10/5/11 from the Planned Parenthood Action Fund Inc. PAC notifying us of the in-kind contribution. Their letter states that the in-kind contribution for staff time and travel costs incurred starting on September 8, 2011. Because of that statement, we used the date of 9/8/11 for the date of the in-kind contribution.

If you need any additional information, please let me know.

Sincerely,

Barry A. Weprin, Treasurer
