Dear Ms. Davis:

This is in response to your request for additional information dated January 6, 2014. Your letter raises three concerns regarding the post-general report for the committee. Each area of concern is addressed in turn below.

You note that the column B figures for the Summary and Detailed Summary Page are incorrect. An amendment has been filed to correct this error.

Second, you note that a 48-hour report was filed indicating a reportable contribution from the League of Conversation Voters Action Fund that did not appear on the post-general report. While the date and amount of the contribution 48-hour reported was correct, the contribution was actually from NARAL Pro-Choice America PAC and was entered in error at the time the 48-hour report was filed. An amendment to the 48-hour report has been filed.

Finally you seek clarification regarding six donors who appear to be missing 48-hour notices. One of the six in the NARAL PAC referred to above. The remaining five donors were all earmarked contribution via ActBlue PAC. In each case of the five remaining donors the inclusion date was not inside the 48-hour reporting period but it was displayed with a date inside the 48-hour reporting period as that was the day the transaction was received by the conduit committee. It is for this reason that these donors were not 48-hour reported as they were not received by the committee until outside the 48-hour reporting window.

It is hoped that the above is responsive to your concerns. Please be in touch with any additional questions or concerns. Thank you.

Sincerely,

Vicki Krug
Treasurer
