Reference: C00402909 Mid-Year Report (1/01/05 - 6/30/05)

Dear Jennifer:

In response to your above referenced inquiry we are filing an amended report this date to clarify requested information.

As noted in your letter, our mid-year report showed two contributions to federal candidates with a prior election date. These entries were inadvertently entered with the incorrect election date. The amendment reflects the correct election date as Primary, 2006.

Your letter indicates that the report shows limited payments for administrative expenses.

Please be advised that all expenses are accurately and fully disclosed. Administrative Expenses for this committee consist primarily of services performed by the Committee Treasurer for accounting services and associated use of the Treasurer's office including telephone and computer for this purpose. No in-kind contributions have been made to the committee and no administrative expenses beyond those reported have been incurred. No amendment to this item is required and we will continue to fully disclose all expenditures accurately on future reports.

Finally, please note that accompanying this amendment, I am submitting our Form 1M, notifying the Commission of our Multicandidate status.

Sincerely,

W. Edward Langdon
Treasurer
Majority in Congress PAC
