Andrea Needles, Campaign Finance Analyst
Federal Election Commission
999 E Street, NW
Washington, D.C. 20463

Dear Ms. Needles,

We received your letter (copy enclosed) regarding our October 2008 Quarterly Report and our mailing address, on June 15, 2009. I spoke this morning with Laura about both issues.

The referenced Transfer of Funds was transferred into our California State PAC account. Our State PAC supports California candidates and agricultural issues, and is not used for any federal candidates, committees, or issues.

Your letter was delayed in reaching us because it was addressed to our former location. We notified the FEC when submitting FEC Form 3X on April 24, 2002. (copy enclosed) Since then the FEC has sent mail to our proper address. We do not know why the old address was used after so much time.

Thank you for updating our files.

Dear Treasurer:

JUN 1 0 2009

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B of your report discloses a transfer(s) totaling \$5,000 to what appears to be a non-federal account of your committee. Please be advised that committees that make disbursements in connection with federal and non-federal elections and have established separate federal and non-federal accounts, must allocate their expenses pursuant to 11 CFR §106.6. Please provide further clarification regarding this transfer(s). The Commission recommends that you take steps to correct any non-compliance, and that you establish procedures to ensure future compliance with the allocation regulations. ✓

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
