IDENTIFICATION NUMBER: C00254490

REFERENCE: AUGUST MONTHLY REPORT (07/01/2010 - 07/31/2010)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.**

Additional information is needed for the following 3 item(s):

1. Schedule L-A of your report discloses a receipt(s) from California Republican Party. Please be advised that Levin funds expended or disbursed by any State, district or local committee must be raised solely by the committee that expends or disburses them. Consequently, funds from national party committees, other State, district and local committees and Federal candidates or officeholders, may not be accepted as Levin funds. 11 CFR §§300.31 and 300.34 This includes any entity directly or indirectly established, financed, maintained or controlled by any national, State, district or local committee of a political party. 2 U.S.C. §441i(b)(2)(B)(iv)

If any receipt in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Transfers-out and refunds should be disclosed on Schedule L-B supporting Line 5 on Schedule L of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of impermissible Levin funds, prompt action by your committee to transfer-out or refund the funds will be taken into consideration.

2. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Administrative Support," "Payroll" and "Payroll Taxes." Please be advised

that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

**3.** Schedule H4 of your report discloses a payment(s) for "Service for Voter Registration" and "Fair Booth" 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will**
