Dear Ms. Budnick,

Thank you so much for your assistance this morning with regard to your concerns regarding our Mid-year report.

As I understand it, I need not file an amended report regarding the changes that I must make to our reporting format. Rather, I should make the following changes on our year-end report:

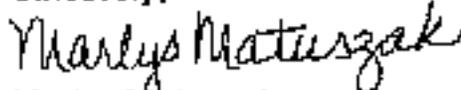

Contributions from individuals in amounts under \$200.00 should be reported separately and not included in Line 11(a) (i). Those individuals may be included as part of the public record.

Aggregate amounts must be for election cycle rather than calendar year to date. The election cycle began November 8, 2000. I will include any contributions or disbursements from that date to January 1, 2001 that may not now be included.

I will work with our software company to see that these changes are made.

Once again, thank you for your help.

Sincerely,

Marlys Matuszak
