

On June 6, 2009 Fiserv Corp. PAC made a contribution in the amount of \$5,000 to the Georgians for Isakson campaign. This contribution was inadvertently attributed to the 2010 primary election, resulting in an excessive contribution. On October 9, 2009, a letter was sent to Georgians for Isakson, with a copy to the FEC, requesting a refund of the \$5,000 contribution. That refund will be reported when it is received.
