Response Due Date:
March 25, 2005

Identification Number: C00153031

Reference: 30 Day Post-General Report (10/14/04-11/22/04)

Dear Mr. Day:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$29,271.42 for "FUNDRAISING DIRECT MAIL" and "FUNDRAISING TELEMARKETING." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) for "VOTER GUIDES" which appears to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity

which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b).

Please amend your report to clarify (1) whether the activity disclosed meets the conditions of exempt party activity and (2) the type of FEA this activity represents or provide clarifying information as to why it does not meet the definition of FEA. In addition, please properly disclose this activity if necessary.

-Please clarify all expenditures made for "GORDON SMITH FUNDRAISING LETTER" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Schedule B supporting Line 21(b) of your report discloses a payment for "PETTY CASH." Please be advised that a political committee may maintain a petty cash fund out of which it may make expenditures not in excess of \$100 to any person per purchase or transaction. 11 CFR §102.11 Please provide clarifying information regarding this transaction.

-The outstanding balance of a debt owed to a creditor at the close of one report should be exactly the same as the outstanding balance beginning the period of the next report. This report shows a beginning outstanding balance(s) to "Creative Strategies" and "FL&S," which is not identical to the ending outstanding balance(s) for the creditor(s) on the 12 Day Pre-General Report. Please amend your report to clarify the discrepancy.

-On Schedule D of your previous report, you disclosed a debt(s) owed to "Advanced Office Systems," "Paul R.J. Connolly," "W.B. Adams Insurance," "Conferencing Premiere," "Thomas Thomas Graphics," "Fred Gabriel, PC," "Purchase Power," "Entertainment Communications Network," "Capitol Accounting Service," "Pacific NW Telco" and "Advanced Telecom." This obligation(s), however, has been omitted from this report. Please amend your report to include this debt(s) on Schedule D and Line 10 of the Summary Page. All debts and obligations must be disclosed until extinguished. 11 CFR §104.11

-Your report discloses an outstanding balance(s) beginning this period for a debt(s) owed to "Pitney Bowes Purchase Power." However, an outstanding balance(s) at the close of the period was not disclosed on your 12 Day Pre-General Report. Please amend your report(s) to clarify this discrepancy.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 and H6 of your report to clarify the following description(s): "72-hour cards," "bounty," "expense reimbursement," and "expense reimbursement." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule A supporting Line 12 discloses a transfer(s)-in from the Republican National Committee. Schedule B supporting Line 21(b) reflects payments for "door hangers," "GOTV state mailer," "lawn sign reward," "lawn signs" and "t-shirts, bags, rain ponchos." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "GOTV calls" and "newspaper ad." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses a payment(s) for "GOTV mailer & 72-hour cards," "GOTV slate mailer," "palm cards" and "postage for slate mailers" which appears to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates

for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24 Further, Levin funds may only be used for these types of FEA if there is no reference to a clearly identified candidate for Federal office. 11 CFR §300.32(b) and (c)

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and must be paid for with 100% Federal funds and disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate.

It appears that you have allocated the costs for this activity between federal and non-federal funds. Any reimbursement from your committee's non-federal or Levin account for Federal Election Activity costs referencing a clearly identified candidate for Federal office is not permissible and must be returned. 11 CFR §§300.32 and 300.33

-Schedule H-4 supporting Line 21(a) of your report discloses a payment(s) for "temporary employees" and "workers comp insurance". Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses a payment(s) for "voter file" and "GOTV calls." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the-vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or allocated between federal and Levin funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive and exempt activity costs are derived by aggregating all disbursements during the calendar year for each separate category, not by individual purpose such as "Utilities" or "Rent". Please amend your report by providing the correct event year-to-date totals.

-On Schedule H6 supporting Line 30(a) of the Detailed Summary Page, you have failed to include the purpose of disbursement for the payment made to "Oregon Republican Party." Please amend your report to include this missing information.

-On Schedule H6 supporting Line 30(a) of the Detailed Summary Page, you have failed to check the appropriate allocated activity or event category box for all payments. Please amend your report to disclose the appropriate category.

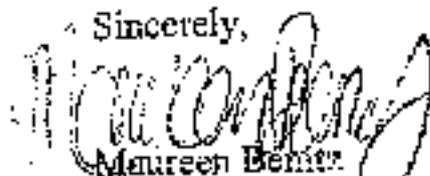

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
