Reference: Your letter regarding our April 1998 Quarterly Report

Dear Mr. Francis:

In your letter you asked for clarification of administrative expenses. First Breath Alliance is operated out of my home, therefore there were no expenditures for rent or utilities. First Breath Alliance is administered by volunteers, therefore no salaries are paid. During the first quarter of 1998, the few phone calls that were made to conduct PAC business were done on my home phone, amounting to less than \$20.00 in phone charges. Most PAC business was conducted via mail. Postage expenses and office supply expenses were reported in the April report but were not itemized because the amount was less than \$200.

If you have any further questions about this report, please contact me at the above address or call 920-457-4441-ext-2469.

Sincerely yours,

Carl Schroeder  
Treasurer  
First Breath Alliance
