This MISC-99 is issued in response to the Commissions April 5, 2023, letter to the Climate Reality Action Fund (CRAF), ID # C90017088, regarding receipts reported on CRAFs 2022 Year-End Form 5 report.

As noted in the Commissions guidance cited in Item 1 of the Commissions letter, memo text should be used to indicate which contributions listed on CRAFs 2022 Year-End Form 5 report were for the purpose of furthering any independent expenditure. CRAF inadvertently omitted the memo text to indicate that the two contributions listed in its 2022 Year-End Form 5 were indeed made by each person listed for the purpose of furthering CRAFs independent expenditures.

Consistent with the Commissions guidance cited in item 2 of the Commissions letter, the reasoning in FEC v. Survival Education Fund, Inc. (65 F.3d 285 (2d Cir. 1995)), and the June 8, 2022, Policy Statement from Commissioners Dickerson, Cooksey, and Trainor, III, CRAF reported all contributions on the 2022 Year-End filing that met the Commissions criteria for disclosure under 52 U.S.C. 30104(c)(1), (c)(2)(c).

Please let us know if the Commission has any additional follow-up regarding this matter.
