Dear Mr. Scolese:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report discloses aggregate year-to-date totals for contributions received from political action committees which appear to be incorrect. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year-to-date total is correct, please note that federal regulations also require the disclosure of all contributions received from political action committees. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.

-Please clarify all expenditures made for "EVENT DEPOSIT," "FUNDRAISING DINNER" and "TELEMARKETING/FUNDRAISING" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated.

Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9550 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1135.

Sincerely,

Maireen Benitz
