Regarding the letter we received from the FEC dated January 6, 2006 referencing DSMO PAC's 2005 Mid-Year report, please accept the following response detailing our method of handling administrative costs for the PAC each year. It is customary that in the last half of the year, DSMO PAC cuts a single \$5000.00 check to Dickstein Shapiro Morin & Oshinsky LLP to cover administrative costs (for rent, utilities, salary, and materials) associated with administering the PAC. This year, however, due to a personnel change, we will be cutting a \$5000.00 check in the first part of January, 2006 to cover the administrative expenses for the entirety of 2005.
