Re: Nebraska Republican Federal Campaign Committee

May Monthly Report (04/01/08-04/30/08)

This letter is in response to the Commission's letter dated August 8, 2008. The Commission requested additional information regarding payments disclosed on our May Monthly Report as "FEA Exempt/Brochure Printing" and "FEA Exempt/Brochure Postage". These payments were for volunteer driven activity for the state party and meet the definition of exempt activity; therefore disclosure of any candidate is not required. None of these disbursements were for general public communication and only federally permissible funds were used. Because these payments did meet the definition of Federal Election Activity, they were paid with funds permissible for FEA and were reported on Line 30(b).
