Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name. Reporting only the name of the connected organization, abbreviating the name of the committee so it is unrecognizable or using an indistinguishable acronym is inadequate. (11 CFR §102.14(e) and 104.3(a)(4)(ii)). A listing of the full FEC-registered committee names, FEC Committee ID number and approved acronyms can be found on the FEC web site (www.fec.gov) or can be obtained by contacting the FEC Public Disclosure Division. Please amend your report to include the missing information.

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limit set forth in the Act. You should examine all of your contributions to check for additional excessive contributions. The Committee's procedures for processing contributions should also be reviewed.

No political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. The Van Ness Feldman PC Political Action Committee did not meet the requirements for qualified multicandidate status as of the date
