Reference: Statement of Organization dated 2/14/97

Dear Mr. Carroll:

On March 12, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your March 28, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges that your committee changed its name to First Chicago NBD Corporation Political Action Committee; however, that name may still be incorrect for your committee. Your Statement of Organization discloses two (2) connected organizations, First Chicago NBD Corporation and NBD Bank. If both of these organizations are sponsoring organizations for your committee, then the proper name for both of the separate connected organizations must be included in the name of your committee.

If a connected organization has a parent company or subsidiaries, the names of those organizations do not need to be included in the name of the political committee, unless more than one company is sponsoring the committee. 11 CFR §102.14(c). Therefore, if both First Chicago NBD Corporation and NBD Bank are sponsoring your committee, both names must appear in the name of your committee. Please amend your Statement of Organization to properly disclose your name or connected organizations.
