This response is in reference to a letter I received as the Assistant Treasurer to the American Society of Plastic Surgeons Political Action Committee PlastyPAC. According to the letter, the Mid-Year Report (1/1/01-6/30/01) that was filed contained an error in reporting. Specifically, a disclosure of \$1,000 to our connected organization was listed. This disclosure was in error and no payment of \$1,000 was ever made the American Society of Plastic surgeons from the PlastyPAC.

Please accept the enclosed amended mid-year report.

Sincerely,

Bill Seward

ASPS Director of Government Affairs

PlastyPAC Assistant Treasurer
