Reference: Amended 30 Day Post General Report (10/16/08 - 11/24/08), received 12/11/08

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

After reviewing the cycle-to-date activity for the entities listed in the correspondence from the commission, the following information is submitted for your review:

1. In the case of the Action Committee for Rural Electrification PAC, there was \$10,000.00 in total receipts for the cycle. However, there was also a refund issued for \$2,000.00 that takes the cycle-to-date total to \$8,000.00.
2. In the case of the American Bankers Association PAC, we discovered a duplicate record entry and had activity for the cycle spread out over both records. This problem has been rectified. However, we show \$7,500.00 in activity from this committee for the cycle. Per a phone conversation that I had on 2/3/2009 with commission analyst Robin Kelly, \$7,500.00 is the correct cycle-to-date total and the amount listed on the Request for Additional Information dated 1/13/2009 for \$8,500.00 was listed in error.
3. In the case of the Synovus Effective Leadership PAC, there was \$7,000.00 in total receipts for the cycle. However, there was also a refund issued for \$1,000.00 that takes the cycle-to-date total to \$6,000.00.

Thank you for the opportunity to respond. Please contact us if you need any additional information.
