

This is to respond to a letter dated 1/7/2009 from the Federal Election Commission for Committee ID C00382861

Reference: October Quarterly Report (7/1/08 - 9/30/08)

We have filed an amended Form 3 X for the period 07/1/08 - 9/30/08 correcting the amount year-to-date for Lines 11(a)(i) and 11(a)(ii). Our software required that the year to date values for Line 11(a)(i) must be amended for each filing. When filing the previous report, the value had not updated from the July quarterly.
